

# Crimea State Medical University Ranking

There is no official ranking list of the medical universities in abroad. However, as per the website 4icu.org, Crimea Federal Medical University Ranking is 3,346 in the world. Mordovia State University, Russia world ranking as per 4icu.org is 1,437 and Ulyanovsk State University at 3,008.

It must be noted that world ranking is not a valid factor to decide a college for MBBS in abroad. Rather, the students should check which university has good passing percentage in the screening test.
