

Kyrgyz State Medical Academy

Hostel

Indian students will get accommodation in the hostels provided by Kyrgyz State Medical Academy. The hostel rooms will be well arranged and fully furnished. About 3-4 students will share one room. The hostel facility is good and provided students a safe environment for studying. Indian mess facility is also available to the students.

Kyrgyz State Medical Academy hostel facility is one of the best.

Indian Food / Indian Mess

Indian food is available for the students at KSMA. The university provides Indian mess where Indian chefs cook the food for the students. Both north and south Indian food is made available to the students. Apart from this, the students can cook food for themselves as and when they need. There are many Indian restaurants in Bishkek which serve authentic Indian food.

Overall, food is not a problem for Indian students as the Indian mess of KSMA provides food to the students.
