Ternopil National Medical University Recognitions

Ternopil National Medical University is recognised by:

Medical Council of India (MCI)

World Health Organisation (WHO)

Ukraine's Education Ministry

This means that the student can sit for the licensing exam in India as well as appear for exams such as USMLE for post-graduation studies in the US.

Ternopil National Medical University World Ranking

As per the website 4icu.org, Ternopil State Medical University Ukraine world ranking is 4,057 and the country rank is 17th as on 10th October 2019. However, as stated by Global Medical Foundation on several occasions, these world rankings have no relevance while selecting the medical university for MBBS abroad.

The rankings which Indian students should be checking is the MCI ranking of medical colleges in Ukraine and get to know about the current condition at the university.

Indian Culture at Ternopil State Medical University

On Sunday, March 12, Indian students of Ternopil State Medical University celebrated Holi in one of TSMU dormitories. The celebrations were bright and in keeping with tradition. Over 60 students from India are enrolled into Ternopil State Medical University.

“This is a festival of colours, happiness and love. It symbolizes the victory of good over evil, the arrival of spring and end of winter. This year we all gathered together to celebrate Holi in Ternopil. We showered each other with colours and greeted everyone with the words «Happy Holi». And in the evening we dressed in festive clothes and had a dinner together. These celebrations provide an opportunity to experience unity with each other, to appreciate our culture and be a part of it thousands of miles away from home. The students from India and Indians around the world wish everyone happy Holi. We would also like to thank the University Administration for their support and assistance”, said the president of the Association of Indian students Arshbeer Sandhu.
